

## ONCE MORE HILEE DEFEATS THE LIGHT.

Politician Schwaecker's Fast Horse Ran Away From Mr. Hughes's Good Bay Mare.

## LEDFORD EASY FOR MAE DAY.

Two Annies, a Good Thing in the Opening Race, Finished in the Rock-Kissimee's Bad Race.

Policeman Schwaecker and his party made a killing on Hilee, the winner of the fifth, at Kitchell Park yesterday afternoon. Hilee was in with the mighty mare, The Light. The son of speed-sitting Jimmar demonstrated that he is entitled to run with the speed mares in this vicinity. He took up 60 pounds, made his own pace all the way and passed the judges on easy winner in 1:36.

He chalked off The Light in the early going, but Hughes' good mare had nothing left to finish with. At that she made a game effort and ran the last stretch on her courage alone. A sixteen on she appeared to have a chance as she moved up alongside Hilee, but just as her chances seemed bright, Hilee took her for a run and she was gone. The chase was not over, though. The horses were still in the racing ring when Schwaecker and his friends commenced to pour in their money, and in a few minutes the best to be had was 7 to 5. His tries receded to 5 to 2 before next time owing to a heavy play on The Light and Hungarian. There was a strong tail out on the latter, and a lot of money was burned up on him.

The weather was crisp, but not the lighting conditions, which were not particularly good for the spectators. Much snow was falling, and, when it came, was falling in sheets.
